Career Objective

Motivated undergraduate student pursuing Electronics and Communication Engineering with a strong interest in Full Stack Web Development. Skilled in building responsive, scalable web applications using modern frontend and backend technologies. Seeking internship opportunities to gain industry exposure and contribute to product-based development teams.

Education

B.Tech – Electronics and Communication Engineering

Rajiv Gandhi University of Knowledge Technologies (RGUKT), Andhra Pradesh

2023– Present

CGPA:7.5

Intermediate (PUC)

Rajiv Gandhi University of Knowledge Technologies (RGUKT), Andhra Pradesh

2021 – 2023

CGPA:8.9

Secondary School (SSC)

State Board, Andhra Pradesh

2020–2021

CGPA: 10

Technical Skills

- Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Design
- Backend: Node.js, Express.js, RESTful APIs, Authentication, JWT
- Databases: MongoDB, Firebase, NoSQL, Data Modeling
- Tools & Concepts: Git, GitHub, Postman, CRUD, Debugging, SDLC, Agile

Projects

Automatic Timetable Generator

- Developed a web based application to automatically generate academic timetable based on user inputs
- Designed logic to handle dynamic subject allocation and lab scheduling
- Reduced manual timetable preparation effort through automation
- Technologies: HTML5, CSS3, JavaScript, Node.js

College Online Outpass System

- Built a full stack web application with admin approval workflow
- Implemented authentication and QR-based outpass verification
- Technologies: HTML, CSS, JavaScript, Node.js, MongoDB

Calculator Web Application

- Developed a responsive calculator web application supporting arithmetic operations
- Implemented JavaScript-based logic handling and input validation
- Technologies: HTML5, CSS3, JavaScript

Experience

Web Development Intern – Skill Craft Technology

- Developed responsive web pages using HTML, CSS, and JavaScript
- Worked on frontend–backend integration and API usage
- Improved code quality by following clean coding practices
- Gained hands-on experience in full stack web development

Event Volunteer – Lumina Fest

- Assisted in event coordination and crowd management
- Collaborated with team members to ensure smooth execution

Certifications

- Java Programming Certificate – HackerRank
- Common Aptitude Test – Internship Studio

Soft Skills

- Problem Solving
- Analytical Thinking
- Communication
- Teamwork
- Time Management
